### **Viewings:**

Viewings of the studio are only available by appointment only.

### **Bookings:**

Bookings are to be requested via the contact form on the JPS website. If this provisional booking request is then subsequently confirmed to be available by JPS studios, then a final confirmation will only be made, when the full payment for the proposed session is paid either at the time of the confirmation or within 24 hours of the confirmation.

The studio can only be booked in advance. No “Walk In's” sessions are available.

To avoid disappointment, please book at least one month in advance.

The session booked will start at the stated time of your booking. Please be prompt as sessions can not be delayed.

When your session booking has been completed you must leave promptly.
