

Health & Safety / DSE - (Display Screen Equipment)

GENERAL:

JamPadSpace Promotion Studios uses DSE (Display Screen Equipment) equipment in order to provide some its services to our Clients.

The correct use of this equipment is required by ALL Clients in order to comply with this policy.

All Clients abide and agree to this policy and ALL our other polices and our Terms and Conditions, as outlined on our website, when making a booking.

JamPadSpacePromotion Studios are not liable or cannot be held responsible for any misuse of DSE equipment or for not following the advice given in this policy.

JamPadSpace Studios uses the following DSE Equipment:

- Apple iMac Computers
- Apple Mac Mini Computers
- Apple MacBook PRO Laptops
- Apple MacBook AIR Laptops
- Apple iPhones
- Apple iPads
- Sony PlayStation 5 Game Console
- Various sizes of LCD Monitor Screens
- Apple Magic Mouse
- Apple Magic Trackpad

JamPadSpace Studios recommend the following when using ANY of our Workstations:

That users of this Workstation should take a break away from the screen for 10 minutes of every hour's use of the workstation.

If users feel that they are developing any issues, such as tiredness, headaches, eye strain or the strain of any fingers, hands, wrists, elbows, arms, legs or feet... then they should take a break away from the workstation until these symptoms ease. If these symptoms persist, then they should refrain from using the workstation and should seek medical advise.

If users require Spectacles for use of our DSE equipment, then they should wear these Spectacles when using the Studio Workstations.

Clients are asked to always maintain a good posture when sitting at the workstation in order to reduce any strains.

Clients are asked to not slouch when using any handheld DSE equipment, as this can cause bad posture.

JamPadSpace Studios will not be held liable for any injuries caused by misuse of the studio DSE equipment.
