

All users of each workstation using the Online Interactive Gig Stage, have access to three types of Headphones being a set of, Roland RH200 Wired Headphones, Boss WAZA AIR wireless Headphones and wired / wireless KZ IEM's (In Ear Monitors).

All users of the Post Production Editing Room, have access to Beyer Dynamic's DT770 Pro 80 ohm & 250 ohm Wired Headphones along with VSX headphones.

In addition, there are various headphones available to check Mastering of Audio & Video Productions, such as Apple Air Pod Pro MAX wireless Bluetooth Headphones, JBL wireless Bluetooth Headphones, along with in ear buds such as, Apple AirPods, Apple AirPods Pro and Apple Air Buds wired headphones.

All users of these Headphones have the responsibility to correctly set the volume of these headphones prior to their use. Before placing on any headphones, the volume must be set to zero and only then can the user set a comfortable volume. The volume does not need to be loud, as a low to medium volume is usually comfortable for most persons. Instructions on how to set Headphone Volume will be given prior to any session.

Any improper use of these Headphones, in particular, persons having the volume too high and causing damage to their own or anyone else's hearing, is done so, under each persons own liability and JamPadSpace Studios Ltd are hereby not responsible for any Liability whatsoever, for improper use of the supplied or user supplied Headphones. By Accepting accepting a booking for the Studio you are therefore agreeing to these Terms and Conditions of JPS and in particular this policy on the correct use of Headphones.

Cleanliness:

Ear Tip Cleaning Buds are supplied at each station, for each user to Clean their own Ear Canal prior to any Headphone use. This is a voluntary use and JamPadSpace Studios takes no responsibility for any injuries caused by use of these ear buds. Please dispose of these ear buds in bins provided if used.

Wet Wipes and small towels are supplied to wipe down any Headphones prior to use. Please dispose of these in bins provided.

Over Ear Covers are supplied in order to cover Closed Back Headphones Cups. Please dispose of these in bins provided if used.

In Ear Monitors (IEM): Upon first booking of any session at JPS, all musicians will be provided free of charge, a pack of IEM Ear tips. There are 3 sets supplied, Small, Medium and Large. These must also be brought for every subsequent session booked. A chargeable fee will be made for anyone requiring a further set. Users can bring their own tips if they wish.
